

## CD/DVD Applications

### Features:

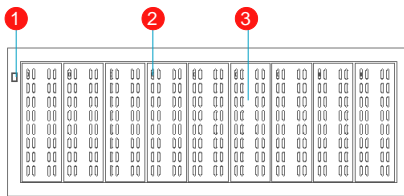

|                   |                                      |
|-------------------|--------------------------------------|
| Model             | Ci 9000 RCFF                         |
| Size              | 7"(H) x 19"(W) x 18"(D)              |
| Power Supply      | 300W Fixed                           |
| AC input          | 115 / 230 VAC Selectable             |
| Cooling Fan / CFM | (1) 80x80mm Ball Bearing Fan, 43 CFM |
| 5 1.4" Drive Bay  | 9                                    |
| Face Plates       | 9                                    |
| Internal Cable    | 8 x 50 pin                           |
| Terminator        | Option                               |
| SCSI ID           | Option                               |
| Shipping Box      | 12"(H) x 24"(W) x 22"(D)             |

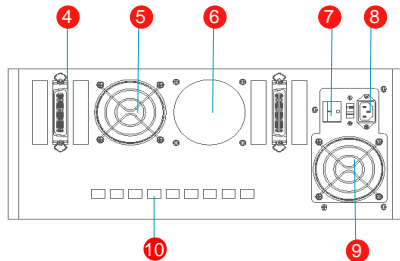

Ci 9000 RCFF

### Specification & Options:

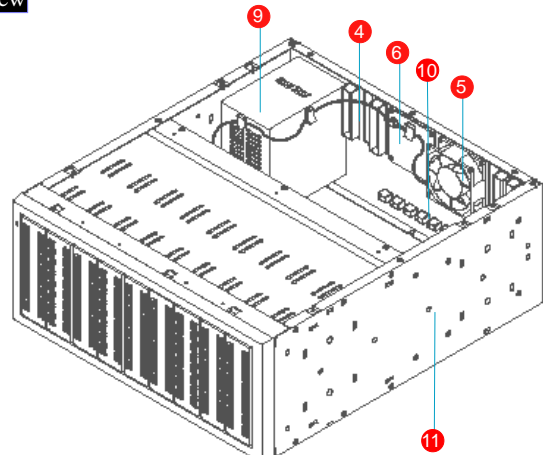

#### Front View

#### Rear View

#### Isometric View

| Ref | Component                |
|-----|--------------------------|
| 1   | "Power ON" LED           |
| 2   | "Drive Activity" LED     |
| 3   | Face plates              |
| 4   | Connector I/O Cutout x 6 |
| 5   | 80mm DC Fan              |
| 6   | 80mm DC Fan Cutout       |
| 7   | Power ON/OFF Switch      |
| 8   | AC Inlet                 |
| 9   | DC Power Supply          |
| 10  | SCSI ID Switch           |
| 11  | Chassis                  |

### Optional Accessories

| External Data Cables |                                      | External Terminators |                                  |
|----------------------|--------------------------------------|----------------------|----------------------------------|
| P/N                  | Description                          | P/N                  | Description                      |
| 03-2034-A1D          | 3" SCSI I C50-DB25                   | 03-5032              | SCSI I Single-ended C50          |
| 03-2049-01A          | 3" SCSI I C50-C50                    | 03-5017              | SCSI II Single-ended HD50        |
| 03-2043-01A          | 3" SCSI II HD50-HD50                 | 03-5034              | SCSI III Single-ended HD68       |
| 03-2043-02A          | 6" SCSI II HD50-HD50                 | 03-5030              | SCSI III LVD HD 68               |
| 03-2038-01A          | 3" SCSI II to SCSI I HD50-C50        |                      |                                  |
| 03-2038-02A          | 6" SCSI II to SCSI I HD50-C50        |                      |                                  |
| 03-0113-01A          | 3" SCSI III HD68-HD68                |                      | SCSI ID Cables                   |
| 03-0113-02A          | 6" SCSI III HD68-HD68                | P/N                  | Description                      |
| 03-0119-01A          | 3" SCSI III to SCSI II HD68-HD50     | 05-0013              | 16 Position SCSI ID Switch/Cable |
| 03-0119-02A          | 6" SCSI III to SCSI II HD68-HD50     | 05-0014              | 8 Position SCSI ID Switch/Cable  |
| 03-0118-01A          | 3" SCSI III to SCSI II HD68-C50      |                      |                                  |
| 03-0118-02A          | 6" SCSI III to SCSI II HD68-C50      |                      |                                  |
| 03-0129-01A          | 3" SCSI III to SCSI II VHDCI 68-HD50 |                      |                                  |
